

Mayyada Mahmoud

A dedicated and empathetic final year chiropractic student and intern at the New Zealand College of Chiropractic, driven by a deep passion for subluxation-based care and improving patient well-being. Seeking a full-time chiropractic associateship in a high-volume, family-focused practice where I can grow clinically and contribute meaningfully to my community. An Initiative taker with a great work ethic and ability to quickly learn and thrive in a dynamic environment. Previous experience in retail, child care, and as a CA has strengthened my communication, time management, and people skills - enabling me to connect with individuals from diverse backgrounds and deliver quality care with compassion. Passionate about cultivating a welcoming environment where everyone is heard, understood, and appreciated!
