

# Precision Career Matching

Friday 6 March, 7–9.30pm

New Zealand College of Chiropractic

For soon to be graduates and chiropractors ready for their next move, and practices ready to find the right fit.

## Think:

- The energy of speed networking
- Combined with the depth of round-table conversations
- Less noise. More targeted, meaningful connection.

## Designed to support:

- Practices actively seeking future associates
- Students genuinely exploring their next step
